General guidelines on Lenten Fasting and Abstinence

Ash Wednesday and Good Friday are obligatory days of universal fast and abstinence. Fasting is obligatory for all who have completed their 18th year until the beginning of their 60th year.

Fasting allows a person to eat one full meal. Two smaller meals may be taken, not to equal one full meal. Abstinence (from meat) is obligatory for all who have completed 14th year of age. If possible, the fast on Good Friday is continued until the Easter Vigil (on Holy Saturday night) as the “paschal fast” to honor the suffering and death of the Lord Jesus and to prepare to share more fully and celebrate more readily his Resurrection. Fridays in Lent are obligatory days of abstinence (from meat) for all who have completed their 14th year. As always, anyone for whom fasting or abstinence would pose a health risk is excused. This year Ash Wednesday falls on February 14. The sacred fast and beginning of Lent far surpass “Valentine’s Day” in religious importance.

Normas generales del Ayuno y Abstinencia Cuaresmal

El Miércoles de Ceniza y el Viernes Santo son días obligatorios de ayuno y abstinencia universal. El ayuno es obligatorio para todos los que hayan cumplido los 18 años hasta el comienzo de los 60 años.

El ayuno permite a una persona comer una comida completa. Se pueden tomar dos comidas más pequeñas, que no equivalen a una comida completa. La abstinencia (de carne) es obligatoria para todos los que hayan cumplido 14 años. Si es posible, el ayuno del Viernes Santo se continúa hasta la Vigilia Pascual. (en la noche del Sábado Santo) como el “ayuno pascual” para honrar el sufrimiento y la muerte del Señor Jesús y prepararnos para compartir más plenamente y celebrar más fácilmente su Resurrección. Los viernes de Cuaresma son días obligatorios de abstinencia (de carne) para todos los que han cumplido 14 años. Como siempre, cualquier persona para quien el ayuno o la abstinencia suponga un riesgo para la salud está excusada. Este año el Miércoles de Ceniza cae el 14 de febrero. El ayuno sagrado y el comienzo de la Cuaresma superan con creces al “Día de San Valentín” en importancia religiosa.
