THE MODEL GRANDPARENTS: SAINTS JOACHIM AND ANNE

During the Ordinary Time, we have wonderful celebrations in the Church. One of those celebrations is the feast day of Saint Anne and Saint Joachim. They are Jesus' grandparents.

As parents of the Virgin Mary and the grandparents of Jesus Christ, they offer a vast array of earthly experiences relatable to every human being. Grandparents are the foundation of a family and we invoke Saints Joachim and Ann for strength in every sort of family crisis. Infertility, late parenthood, an unmarried pregnant daughter, a grandson who was imprisoned and executed, are all parts of their life together which they accepted with grace and dignity.

The name "Hannah" means grace. In Galilee, where she lived, Mary's mother was probably called "Hannah" even though we know her as Saint Anne. So, if you are named "Hannah" or "Anne" you are named after the mother of Our Blessed Mother.

Tradition has it that the couple offered their little daughter to God in the Temple. As a young girl, she spent time in service to the Temple, working and learning with other girls. But it was probably her parents who taught her to read, and certainly Joachim and Anne who taught her to love and follow God's word and to know and understand the Scriptures.

Anne is the patron of Christian mothers, and Joachim the patron of fathers. They were given the great honor and responsibility of raising to be the Mother of God, and can help mothers and fathers today to raise their children to love and follow God too.

EL MODELO ABUELOS: SANTOS JOACHIM Y ANNE

Durante el Tiempo Ordinario, tenemos maravillosas celebraciones en la Iglesia. Una de esas celebraciones es la fiesta de Santa Ana y San Joaquín. Ellos son los abuelos de Jesús.

Como padres de la Virgen María y los abuelos de Jesucristo, ofrecen una amplia gama de experiencias terrenales que se relacionan con cada ser humano. Los abuelos son la base de una familia e invocamos a los santos Joaquín y Ana por su fortaleza en todo tipo de crisis familiares. La infertilidad, la paternidad tardía, una hija embarazada soltera, un nieto que fue encarcelado y ejecutado, son todas partes de su vida juntas que aceptaron con gracia y dignidad.

El nombre "Hannah" significa gracia. En Galilea, donde vivía, la madre de María probablemente se llamaba "Hannah", aunque la conocemos como Santa Ana. Entonces, si te llamas "Hannah" o "Anne", debes el nombre de la madre de Nuestra Santísima Madre.

La tradición dice que la pareja ofreció a su pequeña hija a Dios en el Templo. Cuando era niña, pasó un tiempo sirviendo en el Templo, trabajando y aprendiendo con otras chicas. Pero probablemente fueron sus padres quienes le enseñaron a leer, y ciertamente a Joaquín y a Ana quienes le enseñaron a amar y seguir la Palabra de Dios y a conocer y entender las Escrituras. Ana es la patrona de las madres cristianas, y Joaquín el patrón de los padres. Se les otorgó el gran honor y la responsabilidad de criar a María para ser la Madre de Dios, y pueden ayudar a madres y padres hoy en día a criar a sus hijos para amar y seguir a Dios también.
